13. Troubleshooting & FAQ

1. Platform Overview

The TBP Global Strategist platform is your central workspace for managing your journey through the TBP Strategist Pathway. Key areas include:

- **Marketing Site** — Public pages including Home, About, Contact, Insights, Initiatives, Innovation, Partners, Research, and Summit
- **Individual Dashboard** — Your personalised home page with stats, pathway information, projects, activity feed, and submission tools
- **Profile** — Your professional profile visible to other strategists and leadership
- **Projects** — Browse and contribute to TBP projects across 6 core categories
- **Messages** — Direct messaging and conversations with other strategists
- **Strategists** — Explore profiles of other strategists in the network
- **Admin Panel** — (Admin users only) Manage users, stages, work areas, and system settings

2. Authentication & Login

2.1 Logging In

1. Navigate to **<https://tbpglobalstrategist.vercel.app/login>**
2. Enter your email address and password
3. Click **Sign In**

2.2 Google Sign-In

You can also sign in using your Google account by clicking the **Continue with Google** button on the login page.

2.3 Creating an Account

1. Navigate to **<https://tbpglobalstrategist.vercel.app/register>**
2. Enter your full name, email address, and password
3. Click **Create Account**
4. You will be redirected to your dashboard

Note: New accounts start at Stage 1 (Global Strategist Candidate). An administrator must progress you through stages.

3. The Individual Dashboard

3.1 Welcome & Stage Header

- Your name and a personalised greeting
- Your current stage badge
- Stage description explaining what your current stage means
- **Assigned work areas** shown as colour-coded pills
- Visual stage progression indicator with your current position highlighted

3.2 Stats Cards

- **Active Projects** — Number of projects you are contributing to
- **Collaborations** — Active collaboration count and pending requests
- **Network Size** — Your professional network on the platform
- **Publications** — Your published work count

3.3 Progression Pathway

Shows your current stage details including focus, action tasks, typical outputs, and requirements for advancing to the next stage.

3.4 Submit Report / Task Feedback

Lets you upload reports and view your submission history for the current stage.

3.5 My Projects

- List of your projects with status badges (Active, Draft, Completed, On Hold)
- Progress bars showing completion percentage and deadline information
- Click **View all** to see your complete project list

3.6 Recent Activity

Timeline of recent platform activities including project creations, collaboration requests, messages, and profile updates.

3.7 Right Sidebar

- **Notifications Panel** — Unread notifications with mark-as-read functionality
- **Collaboration Requests** — Incoming collaboration requests with accept/decline options
- **Saved Initiatives** — Bookmarked initiatives for quick access
- **Quick Actions** — Shortcut buttons for common tasks

4. Progression Pathway

4.1 What You Will See

- **Stage Title & Summary** — Clear description of your current stage
- **Focus Area** — What you should concentrate on at this stage
- **Actions & Tasks** — A checklist of specific tasks to complete
- **Typical Outputs** — Examples of the work products expected at your stage
- **Progress to Next Stage** — A highlighted box showing requirements to move to the next stage

4.2 Stage Progression

Progressing through stages is managed by TBP administrators. When you have completed the required tasks and demonstrated the necessary capabilities, an administrator may promote you to the next stage. You will receive a notification when your stage changes.

Note: Stage progression is not automatic. It is based on demonstrated capability, task completion, and administrator review.

5. Managing Your Profile

5.1 Accessing Your Profile

1. Click on your name or avatar in the navigation bar
2. Select **Profile** from the dropdown menu

3. Alternatively, navigate to **Dashboard** → **Profile**

5.2 Editing Your Profile

1. Click the **Edit Profile** button on your profile page
2. Update fields: Title, Bio (up to 2000 characters), Years of Experience, Availability, Category, Location, LinkedIn URL, Website URL
3. Click **Save** to apply your changes

Tip: A complete profile increases your visibility and helps administrators assign you to suitable projects and work areas.

5.3 Setting a Featured Project

You can set one project as your featured project, which will be prominently displayed on your public profile. Navigate to your profile and use the Featured Project selector.

5.4 Public Strategist Profile

Your public profile page includes:

- Hero section with your name, title, and stage badge
- Professional bio
- Current TBP Projects
- Strategist Focus card showing your assigned work areas
- Featured project highlight
- Recent activity feed

6. Browsing & Managing Projects

6.1 Browse Projects

1. Navigate to **Dashboard** → **Browse Projects**
2. Browse the list of available TBP projects
3. Use the search bar to find specific projects
4. Click on a project to view its details

6.2 Project Details

Each project page includes:

- Project title and description
- Category badge (NPNGS Protocols, Infrastructure Systems, etc.)
- Status indicator (Active, Draft, Completed, Cancelled)
- Milestones with progress tracking
- Media attachments (images, documents)
- Contributor list
- Related projects

6.3 Joining a Project

If you want to contribute to a project, click the **Join Project** button on the project details page. You will be added as a contributor.

Note: Access to certain project features may be restricted based on your current progression stage.

7. Submitting Reports & Task Feedback

7.1 How to Submit

1. On your dashboard, locate the **Submit Report / Task Feedback** section
2. Enter a **Title** for your submission

3. Optionally add a **Description** with additional notes
4. Upload your file using the drag-and-drop area (drag a file or click **browse**)
5. Click **Submit Report** to upload

7.2 Supported File Formats

Format	Extension	Use Case
PDF	.pdf	Reports, reflections, formal documents
Word	.docx / .doc	Written reports, memos, briefs
PowerPoint	.pptx / .ppt	Presentations, pitch decks
Excel	.xlsx / .xls	Data analysis, spreadsheets, models
CSV	.csv	Data sets, export files
Text	.txt	Notes, plain text documents
Rich Text	.rtf	Formatted text documents
OpenDocument Text	.odt	Word processing (LibreOffice)
OpenDocument Spreadsheet	.ods	Spreadsheets (LibreOffice)

7.3 Viewing Past Submissions

Your previous submissions are listed below the upload form with title, description, file type, size, submission date, and a download button.

Tip: Submissions are grouped by your current stage. When you advance, past submissions remain accessible.

8. Messaging System

8.1 Accessing Messages

- Navigate to **Dashboard** → **Messages** from the sidebar
- The messaging panel shows your conversation list

8.2 Starting a Conversation

1. Click **New Conversation** or the compose button
2. Select the strategist you want to message
3. Type your message and press Enter or click Send

8.3 Managing Conversations

- Click on a conversation to view the message thread
- Unread messages show with a blue indicator
- Messages are marked as read when you open the conversation

Tip: You can also start a conversation from a strategist's profile page by clicking the message button.

9. Notifications

9.1 Types of Notifications

Type	Examples
Stage Changes	You have been promoted to a new stage
Work Area Assignments	You have been assigned to new work areas
Project Updates	A project you follow has been updated
Collaboration Requests	Another strategist wants to collaborate

Messages	You have received a new message
System Announcements	Platform updates, new features, deadlines

9.2 Accessing Notifications

- **Bell Icon** — Click the bell icon in the navigation bar
- **Notifications Panel** — Your dashboard has a dedicated notifications panel in the right sidebar
- **Notifications Page** — Navigate to **Dashboard** → **Notifications** for a full list

9.3 Managing Notifications

- Click the checkmark to mark a notification as read
- Click the X to dismiss a notification
- Unread notifications show with a blue dot indicator

10. Browsing Strategists

10.1 Accessing the Directory

- Navigate to **/strategists** from the main navigation
- Browse the grid of strategist cards showing name, title, stage, and location
- Use the search bar to filter strategists by name, sector, or expertise
- Click on a strategist to view their full profile

10.2 Strategist Profile Page

Each strategist profile includes:

- Hero section with name, title, and stage badge
- Professional bio and background
- Current TBP Projects
- Strategist Focus card showing assigned work areas
- Featured project highlight
- Recent activity feed
- Message button to start a conversation

11. Admin Features

Note: The following features are only available to users with the ADMIN role.

11.1 User Management

- View all users with filtering and search
- Create new user accounts
- Change user roles (Admin, Strategist, Corporate, Researcher, etc.)
- Change user progression stages
- Reset user passwords
- Assign work areas to users

- Delete user accounts

11.2 Work Area Management

- View all work areas
- Create new work areas
- Assign work areas to strategists

11.3 Project Management

- Create new projects
- Edit project details, status, and categories
- Manage project milestones
- Add/remove media attachments
- Toggle featured project status
- Manage project contributors

11.4 Notifications

- View all system notifications
- Send announcements to users

12. Account Settings

12.1 Changing Your Password

1. Navigate to **Dashboard** → **Settings**
2. Click the **Change Password** section
3. Enter your current password, new password, and confirm
4. Click **Save** to update

Important: Choose a strong password with a mix of letters, numbers, and special characters.

12.2 Notification Preferences

Manage which types of notifications you receive via Settings. You can enable or disable notifications for stage changes, work area assignments, project updates, collaboration requests, and system announcements.

12.3 Account Information

Your account email and basic information can be viewed in Settings. Contact an administrator to change your email address.

13. Troubleshooting & FAQ

13.1 I cannot log in

Check your email and password. Use **Forgot Password** to reset. Contact your administrator if the issue persists.

13.2 My dashboard shows the wrong stage

Your stage is managed by TBP administrators. Contact them if you believe your stage is incorrect.

13.3 I cannot see my work areas

Work areas are assigned by administrators. Check the **Assigned areas** section on your dashboard. Contact your administrator if needed.

13.4 My file upload failed

Ensure your file is in a supported format (PDF, DOCX, PPTX, XLSX, CSV, TXT, RTF, ODT, ODS). Check file size limits. Refresh and try again.

13.5 I am not receiving notifications

Check your notification preferences in Settings. Ensure your browser allows notifications. Refresh the page.

13.6 How do I contact support?

Platform support is handled through your TBP organisation administrators. Contact them for account issues, stage progression, or platform questions.

13.7 Can I use Google Sign-In?

Yes. If you have a Google account, you can sign in using the **Continue with Google** button on the login page.

13.8 How do I message another strategist?

Navigate to **Dashboard** → **Messages** and click **New Conversation**. You can also click the message button on any strategist's profile page.
